National Board Certified Teachers Stipend Policy

Teachers who are certified through the National Board for Professional Teaching Standards (NBPTS) program are eligible for an additional stipend under the following conditions:

- 1) All credentials are current and presented to the school prior to the signing of the teaching contract, and
- 2) The school receives additional state funding as a result of this individual's National Board Certification.

Full time teachers with this credential who qualify according to the above listed criteria shall receive a \$4000 stipend once the school has secured this funding. Part-time qualifying teachers shall receive an amount that is prorated according to their total Full Time Equivalency (FTE).
Example: .5 FTE employee would receive \$2000 stipend.
