Adoption date: October 17, 2018

- A. The J. Paul Taylor Academy Academic Oversight Committee (AOC) will assist the Executive Director (ED) with school-based decision-making and to involve families in their children's education.
- B. The committee will ensure that school educational programs are accomplishing the goals of the J. Paul Taylor Academy Charter and meeting state standards by assisting with education reporting and oversight.

The AOC may:

- (1) work with the ED and give advice, consistent with state, federal, and Governance Council rules and policies, on decisions relating to instructional, budgetary, and curricula issues;
 - (2) ensure that curricula opportunities consistent with the material terms and pillars of the Charter, including Project-Based Learning, Spanish Language Acquisition, Healthy Lifestyle Choices, Art, and Music, are provided.
 - (3) develop creative ways to involve families in their student's education; and
 - (4) where appropriate, coordinate with any existing community resources for educational and vocational development.
- C. The committee will meet on a quarterly basis and report to the Governance Council if a Council Representative is unable to attend meetings.
 - D. The AOC shall reflect an equitable balance between school employees and student body family members if possible. The ED will serve as Chair.
