The total projected student enrollment will be 200 students. The student population will not exceed 200 students.</li> </ul>	<p>J. Paul Taylor Academy is expanding and moving to a new location in January of 2016. We would like to change our class size to meet the requirements of 6.29.1 NMAC. Doing this could cause our overall enrollment to rise above 180. Additionally, in the initial Charter Application the enrollment cap stated 200, which has caused confusion.</p>	9/9/2015
