

Wagner's new 6th grade student orientation for the Class of 2022, also called the "Meet and Greet", is scheduled for June 6, 2019. There will be 2 sessions: one at 2pm and one at 3:30pm. Parents do not need to sign up to attend and are encouraged to bring their incoming 6th grade student with them. Both sessions are identical so parents should choose one session or the other, not both.

During the Meet and Greet, parents will have the opportunity to sign up to receive Wagner communications. Parents will also have the opportunity to express interest on behalf of their child, in either the Band elective or the Visual/Theater Arts elective. Any questions, please email the parent coordinator, Sheila Gonzalez-Liffey at: sgonzalez@mail.wagner167.org.
