Celebration of Learning

May 16, 2019

Welcome to Wagner Middle School's Celebration of Learning! We are excited to welcome you into our classrooms to share a little bit of what Wagner students experience every day.

Format:

You will have the chance to select 4 sessions, each 20 minutes in length. At the end of each session, there is a 5 minute passing period for you to move between classrooms.

Sessions are run by content department and may be organized by grade level, so please be sure to strategize so that you have the opportunity to see your top choices and please read carefully to determine what room is most appropriate for your student's grade.

Example Schedule:

Ms. Losquadro might choose the following schedule:

4:30-5:30 – Manhattan Youth Showcase
5:30-5:45 – Auditorium for Welcome
5:50-6:10 – Rm. 221 ELA
6:15-6:35 – Rm. 323 Arts/Technology
6:40-7:00 – Rm. 203 Science
7:05-7:25 – Rm. 219 Math

Descriptions of sessions and teachers that will be present are listed below.

Presentation Descriptions

ELA: Curriculum in Review

Gain an understanding of the years curriculum overview, teaching structures, reading and writing notebooks, and sample texts.

Science: Exploring Curriculum

*In 6th grade, enjoy student presentations from the Simple Machines Science Symposium.
In 7th grade, explore Wind Turbines and Microscopes
In 8th grade, model DNA and more!*

Math: Mad Math Games

Challenge your students and their teachers in fun math games!

Spanish: Basic Spanish Games

Play fun games using basic Spanish vocabulary!

Social Studies: Student Project Presentations

Explore the timeline of our Social Studies curriculum by listening to presentations of major student projects.

Band, Visual Art, Technology, Theater Arts: We Go to BATT For You!

Watch a Google Slideshow of the talented students of Wagner middle school as they show off their work in these elective classes.

Phys Ed: Team Volleyball and Basketball

Play or just sit and watch a quick organized game of volleyball or basketball led by physical education staff.

Advisory at Wagner Middle School

Gain an understanding of the structures and support provided by the Wagner advisory curriculum.
