March 20, 2020

Dear Wagner Families,

We hope you and your loved ones are well. We recognize that this is a challenging time for students and families.

At this time we would like to provide you with information about how Remote Learning will look at Wagner Middle School for the upcoming weeks.

Remote Learning from Wagner will begin on Monday, March 23rd. Our teachers have been working hard this week to plan for Remote Learning to continue to provide students with quality instruction during this period. Please know that this has been an enormous task for our teachers and staff, and we appreciate your patience as we work through any unanticipated challenges together. Please understand that guidance from the New York City Department Of Education about Remote Learning citywide may change in the coming weeks, and we may need to adjust our plans accordingly.

For Remote Learning, we are using Google Classroom, which is already familiar to the majority of our students and families.

Daily Attendance Procedures for Remote Learning

During remote learning, student attendance will be monitored to ensure access to learning and student safety. Attendance procedures are outlined below:

1. Students must log in to their grade level Google Classroom and complete the grade level attendance form by 10 AM each instructional day. Please ask your child to find their grade level classroom in their Google Classroom beginning Monday, March 23rd. **This will count as your child “attending school” for the day.**
2. This form will be reviewed daily by each grade level team after 10 AM to identify and report student attendance.
3. If your child does not complete their daily attendance form, you will receive a call from a Wagner Middle School staff member.

Please know that these procedures are subject to change as we work through the procedures for remote learning. Thank you for supporting your child with accessing remote learning and staying engaged during this time. In order to ensure your child is able to participate in remote learning, we have launched a **“grade level attendance form test”** for them to complete today.

Remote Learning in Google Classroom

For the duration of Remote Learning, core courses (Math, ELA, Science, and Social Studies) teachers will be posting daily lessons to Grade Level Google Classroom pages for each subject. For other courses, that meet less frequently during the regular school week, lessons will be posted a minimum of 2 - 4 times per week for the duration of Remote Learning. Assignments for all homeroom classes will be found in the Grade Level Google Classroom class. For example, all 6th grade homerooms will go to G6 ELA Remote Learning for their ELA lessons.

We are hoping to have all students assigned to their appropriate Remote Learning Google pages by 8:00am on Monday, March 23rd. When students log on to google classroom (<http://classroom.google.com>), they should see these new Google Classroom pages for Remote Learning in addition to any Google Classroom pages previously in use by their teachers. If they do not see the Remote Learning pages, students can join the classes for their grade level core courses and other courses by using the join codes below:

6th Grade	7th Grade	8th Grade
Math: v74xobp ELA: bzvli2n Science: zxvttnv Social Studies: aq55dbe	Math: r72kcr3 Honors Math: zpie3gf ELA: cldtwau Science: srut2gz Social Studies: 76auurl	Math: bri3ist ELA: 5uvef46 Science: 5jgjwmg Social Studies: mzbjhx

Other Classroom Codes:

Spanish (7th & 8th grades): katkzy7	Theater Arts: b3rtel4	6th Grade Band: xv3jxxo
Physical Education (all grades): vauocjw	Visual Arts (Ms. Lamb & Ms. Robertson's 6th grade): cz4kqfl	

Additionally, the following courses will continue to use their existing Google Classroom pages:

- Honors Math (8th grade)
- Honors Science (8th grade)
- Honors Social Studies (8th grade)
- Band (7th and 8th grades)
- Art (Ms. Carluccio's 6th & 7th grade classes)

Most students in these courses already have access to these Google Classroom pages; if you do not, please reach out to your teacher directly.

Daily Expectations for Students:

- Ensure that you can log in to your Wagner Student Account (username @mail.wagner167.org). You will need this to access Google Classroom. If you have trouble logging on to your account, please see the instructions below.
- By Monday, March 23rd join the Google Classroom classes for your grade by using the "join codes" listed above.

- Every weekday beginning Monday, March 23rd through Wednesday, April 8th, log-in to Google Classroom daily by going to: <http://classroom.google.com>. New lessons will be posted each day by 8:30am.
- Complete the lessons posted in Google Classroom daily, or as frequently as you have access to an internet-enabled device.
- During Remote Learning, students' work will continue to be graded according to our [Wagner Middle School Grading Policy](#). Grades will be updated in PupilPath for Marking Period 3, which opens on Monday, March 23rd.

Expectations for Parent/Guardians:

- Please reach out directly to your grade team if there are specific circumstances that are making completion of remote learning difficult on a consistent basis.
- Please enforce Wagner's Acceptable Technology Use Policy for Remote Learning with your child and share any violations of this policy directly with your grade level team.
