What Are The Big Apple Awards?

The Big Apple Awards, now in its sixth year, is a citywide recognition program that celebrates the educators of New York City who inspire students, model great teaching, and enrich their school communities. By honoring the success of these teachers, the NYC Department of Education recognizes the countless teachers who go above and beyond to serve our students and families.

How can parents participate?

Parent participation is critical to the helpfulness and success of the Big Apple Awards. Since its inception six years ago, thousands of city parents have nominated their teachers!

Why Nominate a Teacher?

- A Big Apple Awards nomination is a great way to show your appreciation for a dedicated educator who has made an impact on you and/or your school community.
- Each nomination contributes to a citywide conversation about teaching excellence and showcases the great work happening in your school community.
- More than 200 nominees are recognized as Finalists, who will be engaged at the district level by their superintendents through a classroom visit and/or interview.
- Big Apple Award recipients are celebrated by the Chancellor and will spend the 2018-19 school year participating in the Big Apple Fellowship and representing teachers citywide as members of the Chancellor's Teacher Advisory Group. All nominees will be considered for additional DOE recognition opportunities throughout the year.
