

July 2019

Dear Parents/Guardians,

Welcome to Pre-K at Young Diplomats Magnet Academy 2019/2020 school year. I am looking forward to meeting you and your child. For the academic year to be successful, we need some very necessary individual and community supplies.

All parents of students attending Pre-K are a part of the Parent Committee. During the first days of school, you will receive an Interest Inventory, which includes a brief parent survey. Please take time and go over the child-related questions with your child. At the end of your survey, please review the inquiries that pertain to you. This study will assist me with learning more about your child and the parents that are interested in participating in events to help make this a more successful school year.

Our school will be having a Curriculum Night on September 12, 2019 at 4:30pm and Parent Teacher Conferences on November 14, 2019. However, until then, if you have any questions or concerns please feel free to leave a message in the office or send a note with your child and I will contact you at my earliest convenience.
