June 2019

Dear Parents/Guardians:

Welcome to Young Diplomats Magnet Academy! We the kindergarten teachers, have the pleasure of working with you and your child this year. We are very excited to get to know you and your child and to participate in your child's academic growth.

Each day we will start with morning meeting. The morning meeting gives your child the opportunity to learn songs, letters and counting. We will start the year off in math with classifying and counting numbers. Your child will learn reading, writing and math by using Ready Gen and Envision Math Curriculums. During the school year we will be studying six IB Units. They are Hug a Tree, Family Matters, Me and My Friends, How the World Works, Sharing the Planet, and School Rocks.

We have attached a supply list that is essential for your child's success. Please purchase the items listed by the first week of school.

Please watch closely for our Monthly Newsletter as well as other notices that will be sent home in your child's folder. Your child will receive a homework packet each week. The homework packet will include assignments for the entire week. The packet will be given out on Mondays and are to be returned the following Monday.

Our school will be having a Curriculum Night on September 12, 2019 at 4:30pm and Parent Teacher Conferences on November 14, 2019. However, until then, if you have any questions or concerns please feel free to leave a message in the office or send a note with your child and I will contact you at my earliest convenience.

If you have any questions or concerns please feel free to leave a message on Class Dojo or send a note with your child and one of us will contact you as soon as possible. We have very high expectations for our students, and we look forward to working with you to make sure that your child reaches his/her full potential.

Sincerely,

Kindergarten Team
