

**MISSION STATEMENT: Pleasant View Elementary School, in partnership with families and the community, facilitates a safe, secure environment that promotes academic, emotional, physical, and social growth for all children to become lifelong learners.**

## PVE Construction Update

Construction is underway at PVE! Thanks for the patience you have demonstrated through our transition period. With your continued help, we anticipate that morning arrival and afternoon departures will continue to get quicker each day.

## Morning Arrival/Tardies

Students who are dropped off by car may enter the building at 7:15 a.m. They are to go directly to the gym and will be released to go to class at 7:40. Any student arriving late to school **must be signed in at the office** by a parent or guardian. This procedure ensures the office and the classroom teacher that your child is indeed at school and has arrived safely.

## Cheese balls

Say, "CHEESE" please! Cheese as in cheese ball, that is. It's the time of year when the staff at Pleasant View will roll up their sleeves to mix, measure and stir 1,600 lbs. of the best tasting cheese balls around and are done just in time for holiday gatherings, family snacking or gift giving.

In lieu of having our students go door to door fundraising, the staff at Pleasant View has taken fundraising upon themselves. We've picked a product that has proven to be in demand, especially during the holiday season. Volunteer teachers, staff and parents prepare and make the cheeseballs. Cheese balls will be ready for pick up on Saturday, November 3, from 10:00 to 11:00 a.m.

This Project Fund, supports the upkeep of the playground, new technology, and general classroom needs. Without this fundraiser, many school projects would not be possible. Working together with colleagues also builds unity among staff members. They enjoy the fellowship that comes with working outside the classroom towards a common goal that benefits students.

Orders are being taken by staff members, online by following this link, <https://goo.gl/forms/D7erojsgbwUsFgRm2> or by contacting the Pleasant View office at 759-2800. Cheese balls are sold for \$7.00 each, with or without nuts. They can be frozen and enjoyed throughout the year. A cheese ball with a box of crackers tucked into a gift bag could be just the right way to say "Thank You" or "Happy Holidays". Please support the students at Pleasant View by ordering today.

## Cook's Counselor Corner

With the Holiday Season approaching and Thanksgiving right around the corner it is always a good time to count our blessings and give thanks for the people and good fortunes around us. More importantly, it is a good time to teach our kids to stop and be thankful! I cannot take credit for this... I saw it on Pinterest... but I love this acronym and wanted to share it with you all!

Be a TURKEY:

T- Take Time to Thank Someone

U- Use Your Skills to Help Out

R- Relax with Family and Friends

K- Kindness and Caring Count

E- Everyone Matters

Y- You Make a Difference

Encourage those in your home to be TURKEYs this season!

Happy Thanksgiving!
