

MISSION STATEMENT: Pleasant View Elementary School, in partnership with families and the community, facilitates a safe, secure environment that promotes academic, emotional, physical, and social growth for all children to become lifelong learners.

Attendance Counts

How important is it that your child is in school everyday?

- Did you know that missing even 2 days of school in a month can create serious gaps in understanding math at any age?
- All types of absences, including excused and in school suspensions, make a difference. Time out of classroom equals time away from instruction and learning.
- Every day counts! Good attendance matters for success.

Morning Arrival/Tardies

Students who are dropped off by car may enter the building at 7:15 a.m. They are to go directly to the gym and will be released to go to class at 7:40. Any student arriving late to school **must be signed in at the office** by a parent or guardian. This procedure ensures the office and the classroom teacher that your child is indeed at school and has arrived safely.

Parent Teacher Conferences

Parent Teacher Conferences will be held on October 26 and 27. You may schedule a conference with your student's teacher. Each teacher has a different schedule.

Dressing for the Weather

The weather is changing and temperatures are dropping. Dressing your child appropriately for the weather is important. Students will be sent outdoors for recess, weather permitting. It is important for the students to go out in the fresh air and exercise. As fall turns to winter, please be sure your child has a winter coat, gloves or mittens, and hat. For your child's comfort, please include boots, snow pants, and an extra pair of dry socks when there is snow on the ground. If you are in need of assistance, please contact Nurse Morey.

Box Tops for Education

This is a great and easy way to earn money for our school. We are collecting Box Tops for Education and will collect them throughout the school year. Box tops may be turned in at the office. If you would like to help with this project, please contact Toavona Best @ 765-620-1275.

After School Arrangements

We have been receiving a large number of phone calls at the end of the school day from parents requesting a change of plans for your child's pick up, etc.

A very busy office at the end of the day could result in your child not receiving the message in a timely fashion. Please make afterschool arrangements for your student(s) prior to them leaving home in the morning. We want to ensure the safety of all students. We appreciate your help.

RED RIBBON WEEK

The week of October 23-31, 2017 is National Red Ribbon Week. What is Red Ribbon Week? It is an ideal way for people and communities to unite and take a visible stand against drugs. This year's theme is "Your Future is Key So Stay Drug Free". Your student will receive a red bracelet. Many businesses around Delaware County participate by offering free items or coupons if you are wearing your bracelet.
