Dear SGL Families,

SGL's Preferred Program Model for the 2020-2021 school year has been submitted and we are awaiting approval from the District Review Team (See Preferred Model Below). The District Review Team will begin reviewing submitted models on July 31, 2020. So that we can convey accurate and specific program information that families can rely on when planning for the next school year, we will be distributing individual students' group assignments once we have received District approval of our program model proposal. Families will be contacted with students' individual group assignments via phone and or email.

Week	Mon.	Tues.	Wed.	Thurs.	Fri.
Group	D	Is	Remote	Learning	100%
1	Group A	Group A	Group B	Group A	Group B
2	Group B	Group A	Group B	Group A	Group B

All of our most up-to-date information will be available on our school website [www.sgl378.org](http://www.sgl378.org).

We will work with you every step of the way to answer questions around sibling scheduling, transportation, health and safety measures, and more. I'm committed to doing everything I can to make this easy for you and your family.

I always say that Global Leaders has the best students, families, and staff and that nothing will ever change that. A safe return to schools in the fall, and the broader safety of our whole school, will require we consistently work together as partners, staff, families, and students. Together we can ensure that our students, your children get the education they deserve in the safest, most supportive environments possible.

Educationally,
