Dear 8th Grade Parents,

As a part of our 8th grade incentive program, students are working towards earning behavior points in order to attend trips and other smaller incentives. One of the incentives that students voted as their choice is lunch out. Students who earn the set number of points in a week will be able to leave the building escorted by a teacher to purchase their own lunch. They will bring their food back to the cafeteria to eat.

If you **DO NOT** wish for your child to leave the building during lunch, please send a written note addressed to Mrs. Rhoads stating that your son/daughter does NOT have permission to participate in this incentive.

Thank you!

A handwritten signature in black ink that reads 'K. Ricks'.
