April 19, 2018

Dear Parents and Guardians,

In the interest of maintaining a safe and secure environment for your students, beginning Monday, April 23rd, 2018, all glass bottles and un-sealed plastic bottles will not be permitted into the Beach Channel Educational Campus. School Safety has been directed to check the seal on all store bought plastic bottles to verify that the bottle is sealed; If the bottle is not sealed it will not be allowed into the building.

Students will be permitted to bring refillable plastic water bottles to school. However, they must be empty. Students will be able to re-fill their water bottles once inside the building. If you have any questions, please contact the school at the numbers above.

Sincerely,

Mr. Jonathan Metzler
Assistant Principal
Safety and Security
