

HAWTHORNE IS COLORED IN CHARACTER

2018-2019

Dear Parents, Students & Staff,

Welcome back! This year we will kick off a new COLORED IN CHARACTER initiative. By wearing a particular color on a given day, students and staff are taking a stand to recognize the importance of showing good character at all times. As a school we will be united in demonstrating how kindness, respect, empathy and determination among other character traits build a solid foundation for learning and life. Let's be colored in character together!
