April 16th
at 7:30pm

invite you to a special presentation
at Columbus Elementary School
in the cafeteria

A Special Education Parent Teacher Committee Event

Stephanie Bellantoni

will present

How to Talk to Your Child About Their Learning Differences

Stephanie Bellantoni is the Outreach Coordinator for HVSEPC – the Hudson Valley Special Education Parent Center of WIHD – Westchester Institute for Human Development. HVSEPC provides resources and strategies to parents and guardians of students with disabilities in order to promote meaningful involvement in their children’s education programs. It is critical that parents understand the special education process and engage effectively as collaborative members of their children’s decision-making teams.

Learning Knows No Bounds
