April 16, 2020

Dear Parents and Students,

Unfortunately, the College Board announced yesterday that the June administration of the SAT has been canceled. In the same press release they also indicated that they are developing plans to offer new testing dates starting in late August and running through the fall. Additionally, they are exploring the use of online testing formats to administer these tests if the need arises in the fall. Westlake High School is monitoring the announcements and will keep you informed of the new testing dates and formats and potential testing sites.

I have included a link to the College Board announcement [here](#). This is a good link to bookmark as it will be updated with information from the College Board regularly. Stay well everyone.

Dedicated to excellence,

Keith Schenker
