

# Honors Chemistry

## Summer Assignment

Ms. Castillo & Mrs. Massi

### **Directions:**

1. Log in to Google Classroom.
2. Click “Join class” to enter the following code: **235jb3h**
3. The Google Classroom page is titled “2020 Honors Chemistry - Summer Assignment”. This will only be used for the summer assignment and not for your class during the school year. A separate Google Classroom page will be created for the school year based on the section and teacher according to your schedule.
4. We will have a specific post on the Google Classroom “2020 Honors Chemistry - Summer Assignment” page, for the assignment directions including how and when to complete the tasks, how they will be submitted, and any other expectations as you prepare for Honors Chemistry. It will all be digital work, meaning no need to obtain any packets or worksheets.
5. Please disregard any materials on the class page until you see a specific post with directions for the assignment.

Enjoy the summer!

Ms. Castillo & Mrs. Massi
