

AP Chemistry Summer Assignment 2020-2021

Mrs. Joanne Massi  
JMassi@mtplcsd.org

Greetings AP Chemistry Students! If you were on my roster as of June 2, 2020, you have already been invited to the AP Chemistry Google Classroom Page for this summer. If not, please use the following join code:

I am super psyched to have you all in the course. Your assignment over the summer is broken up into manageable steps.

Unit 01: Summer Assignment		
	Step 7: Online Assessment on OWL	Due Sep 18
	Step 6: Watch Chapter 3 Lecture and Take N...	Due Aug 2
	Step 5: Watch Chapter 2 Lecture and Take N...	Due Jul 26
	Step 4: Watch Chapter 1 Lecture and Take N...	Due Jul 19
	Step 3: Quick Prep Quiz Problems on OWL	Due Jul 12
	Step 2: Pre-Lecture Activities Chapters 1-3	Due Jul 10
	Step 1: Make a login account for our textboo...	Due Jun 21

The due dates are only a suggestion for pacing. Videos of my lessons for the notes and lectures will be uploaded by July 1, 2020.

All assignments will be completed using our textbook companion site OWL by Cengage. Please use this link to join the class platform. <https://www.cengage.com/dashboard/#/course-confirmation/E-228H5KHKP79S8/initial-course-confirmation>

Here you will see your assignments and have access to the eBook version of our text.

I am looking forward to working with you all,

Mrs. Massi
