Dear Parents/Guardians and Students,

As everyone is aware, we have been engaged over the past many weeks in a process to replace Mr. Novak, our Assistant Principal. Today, I write to you with excellent news regarding that search. After many weeks of resume reviews and several rounds of interviews, a candidate was recommended to the Mt. Pleasant Board of Education last night and appointed to this position. I want to take a moment and thank the faculty, staff, parents, students and fellow administrators that volunteered their time to ensure that the process included the voices of all stakeholders and that we fully vetted the successful candidate.

I am excited to announce that Mr. Ken Amann, Westlake High School Math Teacher and Curriculum Leader, will be taking over as our new Assistant Principal. I have worked with Mr. Amann for almost nine years and have found his work ethic, his concern for students and his interest in continuous educational improvement completely aligned to Westlake High School's ideals. His dedication to students and his colleagues alike certainly stood out in the search process and while he may be shifting roles within the building, his dedication remains to these groups.

We are currently working on a plan to ensure a smooth transition for Mr. Amann's current students and will communicate to those students and parents as that process unfolds.

Please join me in congratulating Mr. Amann on this appointment and as always thank you all for your support!

Dedicated to excellence,

Keith Schenker
