2018–2019 SCHOOL PROFILE

Accredited by the Middle States Association and Member of the Tri-States Consortium

The Community

The Town of Mount Pleasant is a community of approximately 43,000 people located in the central portion of Westchester County, NY. The hamlets of Thornwood, Hawthorne and portions of Pleasantville and Valhalla make up the Mount Pleasant Central School District. Several large corporations have divisions or headquarters within the town. A large percentage of our professionals commute into New York City for employment. The residents of this suburban residential community hold professional, entrepreneurial, managerial and executive positions. More than 95% of Westlake’s graduates go on to higher education.

The School

The Westlake High School student population is approximately 580, grades 9-12. The program of studies is excellent in preparing students to make a transition to college level work through our generous offering of honors, AP and college level courses. Vocational programs are offered to students who wish to pursue the workforce immediately after high school or continue towards a trade school. Our school provides a distinctive curriculum that meets the needs of our talented student population. This includes a diverse and challenging sampling of electives that enhance the required course of study. The student to faculty ratio is: 9:1. There are 4 School Counselors with average caseload of 160 that follow their students for all 4 years.

WHS Guidance and Counseling Mission Statement

We aim to support our students to become curious, knowledgeable and independent thinkers grounded in strong values and integrity. We promote our students to lead balanced lifestyles and be prepared for the real-world, taking on new challenges and embracing responsible risks.

CLASS RANK AND WEIGHTING
Weighting is used for the purpose of determining class percentile rank and National Honor Society eligibility. Only reported grades in Honors and Advanced Placement courses are weighted in accordance with district policy. These courses have a weighted factor of 5%. There are three levels of instruction offered: Regents, Honors and AP. Class percentile is calculated after the sixth and seventh semesters. It is computed using weighted factors to determine the G.P.A. All courses with a numerical grade are factored into the overall GPA and decile rank. **WE DO NOT DISCLOSE RANK**

2018 AP DATA

All students enrolled in AP courses take AP exams

AP courses offered to students, grades 10-12.
% of students grades 10-12 enrolled in AP 49%
Number of Students Taking AP Exams 194
Number of AP Exams Taken 428
Number of AP Scholars 58
Number of National AP Scholars 4
Number of AP Scholars with Distinction 20
Number of AP Scholars with Honors 11
% of Students Scoring 3 or Better 71%

HONOR ROLL

Honor Roll is awarded on three distinct levels:

- Laude—GPA 85-89.99
- Magna—GPA 90-94.99
- Summa—GPA 95 and up

HONOR SOCIETIES

English Honor Society, Italian Honor Society, Math Honor Society, National Honor Society, Science Honor Society, Spanish Honor Society, Social Studies Honor Society
**Advanced Placement, Honors & Courses for College Credit**

**Advanced Placement**
- Biology
- Calculus AB
- Calculus BC
- Chemistry
- English Language
- English Literature
- Environmental Science
- European History
- Government & Politics: United States
- Macroeconomics
- Music Theory
- Physics
- Spanish Language
- Statistics
- Studio Art
- United States History
- World History

**Courses for College Credit**
- Chorus
- Criminal Law
- Italian 4, Italian 5
- Music Theory 1
- Oceanography
- Psychology
- Sociology
- Spanish 4
- Science Research I,II, and III

**Honors Courses**
- English 9 H
- English 10 H
- Global 1 H
- Studio Art H
- Biology H
- Chemistry H
- Earth Science H
- Geometry H
- Trigonometry H
- Pre-Calculus H

**ENVISIONS CRITICAL WRITING & RESEARCH**

The Envisions curriculum and program is delivered to every 9th grader in a separate class. They learn about argumentative writing, rhetoric, and research by considering different modes of argument that operate in our culture every day. The course is broken into three parts: Analyzing arguments, research arguments, and designing and delivering arguments. Direct instruction involves the protocols of formal academic research, such as assessing reliable sources and integrating technology skills.

**SENIOR EXPERIENCE**

The Senior Experience offers our 12th grade students an outstanding opportunity to explore their career interests in real world settings. During the last quarter of senior year, students are encouraged to seek out an internship experience that they will attend in place of their daily school schedule. In addition to the internship, they also choose a school based mentor that they meet with weekly to discuss their progress. The Senior Experience culminates in a final presentation and project about their internship.

**SCIENCE RESEARCH**

The Authentic Science Research course enables students to perform authentic and original scientific research in an independent manner. The program is flexible and permits students to participate for 1, 2 or 3 years. The program affords students the opportunity to participate in the community of scientific research and scholarship as part of their high school experience. This course encourages students to work in conjunction with research scientists and professionals within their chosen field of research. Students may do independent research in mathematics, science, psychology, engineering, technology or the social sciences. This program allows students to optionally obtain as many as 12 college units through the State University of New York when successfully completed.

**SCIENCE FAIR**

One of Westlake’s most unique features is its annual science fair that is truly one of a kind. It is the only science fair in New York State that is open to entry level candidates. Typically hosted in June, the fair is open to all school districts and usually has hundreds of participants. The fair allows our students unique access not only into the world of presenting scientific research but also into the planning and coordinating of such a venue.
# New York State Graduation Requirements

## For The Class of 2019

### Regents Diploma

#### Required Courses
- English 4 credits
- Social Studies 4 credits
- Math ** 3 credits
- Science 3 credits (1 Life, 1 Physical)
- World Language 1 credit*
- Art/Music 1 credit
- Health .5 credits
- Physical Education 2 cr
- Sequence/Electives 3.5 cr

TOTAL 22.0 cr

#### Required Exams (Passing score of 65 and Above)
- English Language Arts Regents
- Math Regents
- Regents Global Studies
- Regents U.S. History
- Regents Science

### Advanced Designation Regents Diploma

#### Required Courses
- English 4 credits
- Social Studies 4 credits
- Math 3 credits
- Science 3 credits
- World Language 3 credits (a)
- Art/Music 1 credit
- Health .5 credits
- Physical Education 2 cr
- Electives 1.5 cr

TOTAL 22.0 cr

#### Required Exams (Passing score of 65 and Above)
- English Language Arts Regents
- Algebra, Geometry, and Trigonometry Regents
- Regents Global Studies Exam
- Regents U.S. History Exam
- Two Regents Science Exams
- Local Foreign Language Exam or approved alt. Sequence.

* Students are required to have completed one unit of credit in a World Language by the end of their Freshman year or pass the local proficiency exam.

** An integrated course in Mathematics/Science/Technology may be used as the third required unit of credit in Mathematics or Science.
