

WESTLAKE HIGH SCHOOL SCIENCE NATIONAL HONOR SOCIETY

Application for Membership

Faculty Advisor:

Ms. Gabriella Castillo - gcastillo@mtplcsd.org

The SNHS is an honor society bestowed upon students in the 11th or 12th grade. The requirements for membership include the following:

- Must be a junior or senior
- Must maintain at least a 90% average in all science courses; and an 85% overall.
- A *junior* member must be enrolled in at least 1 honors course or AP science course during their 11th grade year. Junior members must have completed three science courses or be currently enrolled in the third course. (Science Research Program is considered an advanced level course)
- A *senior* member must be enrolled in at least one AP level science class during or prior to the twelfth grade year. Senior members must have completed four science courses or be currently enrolled in the fourth science course. (Science Research Program is considered an advanced level course)
- Must be available to tutor during 1 scheduled tutoring session per month (Wednesday after school)
- Must complete 40 hours of *Science Related* community service
- Must attend at least 75% of the chapter meetings, activities or events for the year prior to applying (ex. During sophomore year if planning on applying during junior year) and maintain good standing in the society

Application and Selection Process:

- Only complete applications, including a copy of your unofficial transcript and two teacher recommendations, received by the deadline will be considered.
- Application and teacher recommendations deadline is January 31, 2019
- All applications and teacher recommendations must be turned into Ms. Castillo (Room 114).
- Accepted members will be notified by February 14, 2019.

WHS Science National Honor Society Application

Full Name: _____ Date: _____

What is your current grade level? _____

Email: _____

Science Courses – Include the grade for each and indicate if the course is in progress where applicable

9th Grade: _____ Grade: _____

10th Grade: _____ Grade: _____

11th Grade: _____ Grade: _____

12th Grade: _____ Grade: _____

Current Overall GPA: _____ Current Science GPA: _____ Graduation Year: _____

What other organizations, clubs, or teams are you involved in this year? _____

What field of science interests you most and why? _____

What college do you want to attend and what is your proposed major (if applicable)? _____

Additional Application Requirements

A copy of your unofficial transcript is required for GPA verification. You will need to print your transcript from parent portal and attach it to the back of this application. If a copy of your unofficial transcript is not included, your application will not be considered for acceptance.

Two teacher recommendations are required – one recommendation must be from a science teacher. Print two copies of the Teacher Recommendation form, complete the name section, and give copies to two different teachers (*one must be a science teacher*). Teachers will return the recommendations to Ms. Greshock. Both teacher recommendations must be received by the application deadline to be considered for acceptance.

I certify that my answers are true and complete to the best of my knowledge. If this application leads to membership, I understand that false or misleading information in my application may result in my release from the society.
