

NYSMHS- New York State Math Honor Society
Student Membership Requirements
Westlake High School Chapter

1. For high school students
2. Based on mathematical scholarship, service, character, and citizenship
3. Student must have successfully completed a minimum of three semesters of high school/college math (and be at least a sophomore).
4. Minimum mathematics scholarship of 90% or equivalent, a record of which needs to be on file.
5. Overall scholastic average of 85% or equivalent (which also should be on file).
6. Student must submit supporting documentation as outlined by the local chapter.
7. Student must submit two faculty recommendations (one from a math teacher), to be on file
8. Student must continue to demonstrate mathematical scholarship, service, character, and citizenship to maintain membership. Additionally, students are must participate in the fundraising activities of the club.
9. Must be enrolled and active in the Math Club for two years, with a minimum of 7 meets each year.
10. Must be available for peer tutoring, at least 3 hours a month.
11. Must attend all MHS meetings.

Math Club Requirements:

Attend seven meets each year minimum (practice meets do not count).

Medal Requirements:

Must maintain all criteria, including averages in math and GPA and the aforementioned Math Club requirements for both the year before the medal ceremony and the year of the medal ceremony.

"It is our goal to recognize the mathematical and academic achievements of students, to enhance their knowledge, understanding, and love of mathematics, and to promote math leadership. Additionally, we foster student collegiality, encourage students to enter in the math field, and encourage math service."
