RE: Class of 2020 Yearbook Senior Portraits

Dear parent/guardian and graduate of the class of 2020:

The 2020 Yearbook process has begun. Tentatively, the first opportunity for the Class of 2020 to take their senior portrait photo will be from May 6th to May 9th in the Bayside High School auditorium by **appointment only**. Students must sign up in the S.O. Office, room 131; beginning April 12th until May 1st. Spots are limited.

The yearbook pose photo, placed in the book, is no added cost. If you wish to take cap and gown photos or varying pose photos, an additional \$20 or \$30 charge must be made payable to the studio the day of your appointment. Packages for photos are through the company, Prestige Lifetouch Studio, only.

A tentative, final opportunity to take photos at Bayside will be from October 21st to November 1st (excluding weekends and October 23rd) by appointment only. Signups will begin in early October in the S.O. office and will be announced in advance. If a student is retaking their photo, the studio charges a \$20 fee.

Please be advised, all graduates must take a photo before Thanksgiving to guarantee that photo being placed in the yearbook. Portrait photos have a two-week upload process with an early December deadline. Any photos taken after November 1st would have to be scheduled at the studio, prior to Thanksgiving, located at 515 Smith Street | Farmingdale, NY 11735. (631) 861-2555

Thank you for your help and understanding regarding photos.

Please feel free to email me: akoehler@baysidehighschool.org with questions or concerns.
