Dear Students, Parents & Caregivers:

To keep Bayside High School safe and welcoming, we would like remind everyone that students must have their school photo I.D. and/or program card ready and visible before entering in the morning. All visitors to our building must arrive through our main entrance on Corporal Kennedy Street, be signed in, and present identification.

Students must leave prohibited items at home. These items are listed in the *Citywide Behavioral Expectations to Support Student Learning* (Discipline Code) and can be dangerous or distracting to students' learning. At this time of year, students are also reminded to leave expensive personal articles, including recently received gifts, at home.

Occasionally, the Department of Education will select schools for random and unannounced scanning to ensure that students are aware of the rules concerning prohibited items and are following them. We expect that students will comply with these rules every day.

With your continued cooperation, our school remains a safe place for all.

We are committed to providing a safe and secure learning environment for all students and thank you for your support. Safety is our number one concern and we are doing everything possible to ensure that all students have a safe learning environment in which they can achieve their full potential.

We thank you for your support and, as always, thank you for choosing Bayside High School.

Sincerely,

***Michael Athy***
