

Remember...

WEBSITES

*Welcome to
Bayside High School*

YOUR CHILD IS...now a young adult and entering a new stage in his or her life. High schools operate differently than elementary or middle schools. You should encourage your child to work through any concerns with their Guidance Counselor. Our staff is here to help your child through any successes or challenges while in high school. Parents should voice concerns to our Parent Coordinator, **Ms. Sarah Milunec, who will direct them to the correct personnel, using the building's chain of command to resolve any issues that may arise whether it be an academic, procedural, or safety concern.**

**We look forward to working with you
for your child's success!**

Bayside High School: Anchored in Excellence

Motivate...

- **ESTABLISH** high expectations for your child.
- **IMPRESS** upon your child the importance of hard work and their responsibility for learning.
- **ALLOW** your child to grow and encourage academic success, ethical character development, and a focus on the next level of education.
- **REINFORCE** the importance of attendance and punctuality.
- **ENCOURAGE** time management and organization daily.
- **UNDERSTAND** graduation requirements.

Communicate...

- **INFORM** your child's Guidance Counselor about any personal information.
- **ATTEND** Parent / Teacher Conferences during the Fall and Spring semesters.
- **VIEW** your child's report card, and speak to teachers consistently.
- **COMPLETE** the distributed lunch forms.
- **COOPERATE** with the school in trying to resolve problems.
- **ATTEND** school functions to get to know the people important to your child's success.

Participate...

- **JOIN** the Bayside High School PTA.
- **SUPPORT** our PTA causes, and attend our meetings.
- **ENCOURAGE** your child to join a club or a team to participate in all aspects of our school community.

Our Mission:

To educate and graduate each and every student in a safe environment.

BAYSIDE = COLLEGE
