

PLEASE RETURN TO YOUR GUIDANCE COUNSELOR AS SOON AS POSSIBLE

BAYSIDE HIGH SCHOOL

SENIOR ACTIVITY SHEET

As part of the college application process, many colleges ask for letters of recommendation from your Guidance Counselor. We take the five teacher feedback forms, which are distributed to students, and write a summary, incorporating some of the pertinent things your teachers say about you plus other information.

Please speak to teachers about completing your feedback forms right away. If you need to, see your guidance counselor to get another batch. After a suitable period of time, check with your teachers to see if they have returned the forms to us.

In addition, it is important for us to know more about you – for example your interests and extracurricular activities (9th thru 11th grades) In the spaces below, please carefully and legibly answer each question (for more room, you may use the back of the form, but number your responses.) If you would like to, you may type the answers or submit a resume in addition to this form. Return the form to your Guidance Counselor.
