

GIRL SCOUTS TODAY. FRIENDS FOREVER.

Be silly with friends and try new things—that's what you'll do in Girl Scouts! You'll learn about all kinds of things by playing games and working on fun projects with your Girl Scout sisters. You'll have a blast earning badges for trying cool stuff—like spending time in the outdoors, making robots, and designing your own board games.

Did you know Girl Scouts love to help? From food drives to recycling, planting trees to thanking local police and firefighters, girls like you are making their neighborhoods, schools, hometowns—and beyond!—better places to play, work, and live.

As a Girl Scout, you'll feel proud, confident, and excited for the next new adventure.

You are invited to come & learn more about Girl Scouts!

Join us at the information meeting to register and have the chance to meet local Girl Scout leaders!

Date: Tuesday, September 10th
Time: 6:00pm-8:00pm
Location: Harrison Park Elementary

Date: Tuesday, September 24th
Time: 6:00pm-8:00pm
Location: Trafford Elementary

Come hear more about how you and your daughter can join us as we build girls of courage, confidence and character through Girl Scouting.

Adults will also learn about the many ways they can help with a troop. Bring your school-aged girls along for activities with local Girl Scouts who have volunteered to lead the girls in activities.
