

2018-19 Art and Science Expo Information, McCullough Elementary

Hello Everyone!

The Art and Science Expo will be taking a new approach this year. The actual expo will occur on **Friday, March 22 at 6pm**. The Expo will include scheduled times for students to stand near their work, hands on activities, demonstrations and of course cookies! Students are encouraged to participate in both the art and science portions.

Those wishing to participate in the **ART** portion are encouraged to be as creative as possible. Submissions may include, but are not limited to:

- Drawings
- Paintings
- Sculpture
- Photography
- Writing
 - Poems
 - Jokes
 - Interviews
 - Short Stories

There will also be a T-shirt design contest, where the winning design will be printed on a T-shirt for all participants to wear at the fair!

Those wishing to participate in the **SCIENCE** portion may choose a project in which they:

- Research/discover a specific topic and report on it
- Perform an experiment (from a given list or one of their choosing)
- Create an invention

In preparation for the **SCIENCE** portion, we will be offering optional, **after school sessions on the second Tuesday of each month** to help students (and parents) to prepare for the expo over time. While the actual experiment will be performed at home, the schedule for these sessions are as follows:

September 11– Scientific Method and Experiment Ideas

October 9 – Title and Hypothesis Development

November 13 – Discussion of Methods and Data Collection

December – No meeting, Experiments should be performed by the January Meeting

January 8 – How to Display Results and Interpret Data

February 12 – How to Draw Conclusions and Construct the Poster

March – Expo on March 22 at 6pm

We are excited to make the Art and Science Expo a huge success this year while sharing our love of art and science with your children! If your child would like to participate, please fill out the attached form.

Questions or comments can be directed to Donna Ward (djward1003@gmail.com) or Pam Aston (pjasto8@gmail.com).

2018-19 Art and Science Expo Preparation Session Registration, McCullough Elementary

If your child will be participating in the after school preparation sessions, please complete and return the bottom portion of this form to your teacher (or the school office) by **Wednesday, September 5.**

The Art and Science Expo is Friday, March 22, 2019, 6-8pm.

Preparation sessions will occur on the second Tuesday of every month after school from 3:30-4:45pm. Each session will also include a science demonstration.

September 11– Scientific Method and Experiment Ideas

October 9 – Title and Hypothesis Development

November 13 – Discussion of Methods and Data Collection

December – No meeting, Experiments should be performed by the January Meeting

January 8 – How to Display Results and Interpret Data

February 12 – How to Draw Conclusions and Construct the Poster

March – Expo on March 22 at 6pm

These sessions are not mandatory to participate in the Expo. Students may participate in any number of sessions that they choose. Registration forms will be sent home for each individual session.

Parents are encouraged to attend these sessions with their children, but are not required to. Please indicate on the registration form if you will be attending. Any parent in attendance will be required to sign in at the main office.

Please return the completed bottom portion of this form to your teacher or the main office by **September 5, 2018.**
