

My name is Mr. Vinton, and I am the Video Production teacher at the high school. I understand the importance of the Deer Valley video to the families of our district's fifth-grade students. I am writing to tell you that the Video Department and Video Club at the high school will be selling Deer Valley Keepsake videos for \$25 each. **They will come on a custom 32GB flash drive.** The video will be filmed, edited, and produced by our TV I and TV II class members. The students put a lot of hard work and time in outside of school to produce a quality keepsake video. Your purchase of this video helps to cover the cost of production and materials and is a fundraiser for the video program.

We will begin the editing/production process as soon as we return from Deer Valley. Thank you for your support and understanding. **Our students are instructed to get as many faces on camera as possible. We can't guarantee that every student appears. There are only 4 students filming.** The link to order is listed below.
