

2018-19 Art and Science Expo Preparation Session Registration, McCullough Elementary

If your child will be participating in the **October** after school preparation session, please complete and return the bottom portion of this form to your teacher (or the school office) by **Wednesday, October 3.**

The Art and Science Expo is Friday, March 22, 2019, 6-8pm.

Preparation sessions will occur on the second Tuesday of every month after school from 3:30-4:45pm. Each session will also include a science demonstration.

October 9 – Title and Hypothesis Development

November 13 – Discussion of Methods and Data Collection

December – No meeting, Experiments should be performed by the January Meeting

January 8 – How to Display Results and Interpret Data

February 12 – How to Draw Conclusions and Construct the Poster

March – Expo on March 22 at 6pm

These sessions are not mandatory to participate in the Expo. Students may participate in any number of sessions that they choose. Registration forms will be sent home for each individual session.

Parents are encouraged to attend these sessions with their children, but are not required to. Please indicate on the registration form if you will be attending. Any parent in attendance will be required to sign in at the main office.

Please return the completed bottom portion of this form to your teacher or the main office by **October 3, 2018.**
