

2019 McCullough Art and Science Expo T-Shirt Design Contest

The Art and Science Expo is coming up in March and we would like to have a T-shirt for this event. Problem is, we don't have a design! That is where you, the students, come in. Have fun making an awesome design for the T-shirts.

Here are the rules:

- 1) Please draw your design on an 8 $\frac{1}{2}$ x 11 size plain paper (no lined paper as it is hard to transfer the design). Use black ink or marker. No light colors please.
- 2) On the back of your paper, put your name, teacher, room and grade.
- 3) Students must draw an original design by themselves, NO adult drawings accepted.
- 4) The design must include the words "McCullough", "2019", "Art and Science Expo"
NOTE: Show where the words are to be placed.
- 5) No graphics, clip art, or computer generated designs.
- 6) All entries must be turned in by **January 15, 2019**. Please submit them to the school, clearly marked "Art and Science Expo".
NOTE: No late entries accepted.
- 7) The entries will be narrowed down to the top 5 by the Art and Science Expo Committee. The top 5 will be will be voted on by the faculty and students. The winner will be announced by the end of January and they will receive a free T-shirt.

Have Fun and be creative!
