

We would like to invite you to this year's Art and Science Expo to be held on Friday, March 22, 2019 from 6-8 pm. The students are working hard and we are excited for them to show everyone their projects.

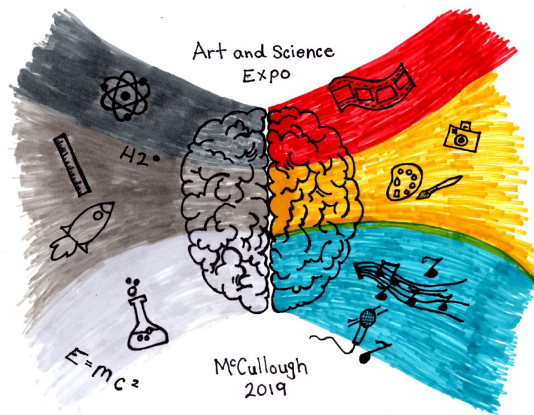

We have some great volunteer demonstrations lined up in both Art and Science including Astronomy, Biology, Chemistry, as well as several Art techniques. We will have some light refreshments and plenty of prizes for the students.

We have also had an Art and Science Expo t-shirt designed with artwork done by McCullough student Ayda Robinson. She did an awesome job! The shirts are yellow with a hunter green print. If you would like to purchase a shirt, they are \$7.60. Below is a picture of the artwork and an order form. If you would like one, please submit the form with full payment to the office or place it in the PTO box in the folder marked Science Expo by the end of the day on Friday, March 8th. Checks can be made out to McCullough PTO. Shirts will be delivered the Wednesday before the Expo and can be picked up at registration on Thursday, March 21 from 4:30-6:30 pm.

We will also have an order form at the Expo if you choose to buy one at a later date.

We look forward to seeing you at the Expo.

Thank you,
The Art and Science Expo Committee,
Pam Aston, Donna Ward, Danielle LeJeune and Kayla Kunkle
