Dear Senior Class 2018 and Parents/Guardian

## **In order to be involved in Senior Activities**

Senior year is an exciting time for both students and parents. While there are many activities planned during the course of the year, the priority of Bryant High School has always been the safety of the students. In order to ensure that the activities that are planned are safe and enjoyable for everyone, the following guidelines have been established; they apply to both current and past students:

1. Any student who has had a superintendent's suspension at ANY point during their time at Bryant High School will be banned from senior activities including, but not limited to the senior trip, senior dinner dance and/or senior prom.
2. Any student who has an extensive disciplinary record during their time at Bryant High School will be banned from senior activities including, but not limited to the senior trip, senior dinner dance and/or senior prom.
3. Any student that has any type of suspension during their SENIOR year will be banned from senior activities including, but not limited to the senior trip, senior dinner dance and/or senior prom.
4. There is zero tolerance for those students who are found to have any illegal substances in their possession or suspected to be under the influence of illegal substances and may be turned over to law enforcement authorities. Any student who is found with illegal substances in their possession or under the influence will be banned from any further activities.
5. There is no refund for any activity after the deadline.

We remind you that senior events are **privileges and are reserved for students who have achieved senior status**. Our priority is to make sure that the students have met all requirements for graduation and, in order to do so, the following guidelines have been established:

1. Any student who lacks the necessary credits to graduate in June 2018, cannot participate in June graduation ceremonies, even if they are expected to obtain those credits over the summer of 2018.

2. Any student who fails two classes in any one marking period, even if the classes are not required for graduation, will not be permitted to participate in any senior activity- including, but not limited to the senior trip and/or senior prom.

**\*\* All banned students will be under review by the office of student life.**

**Senior Dues**

If a student fails to complete their requirements there will be no refund of dues in full or in part.

We have read and understand the above guidelines regarding senior year activities, senior dues for the 2017-2018 school year. Please sign below and return to room 251. All senior must return this letter by **October 6<sup>th</sup>, 2017**. Students will not be permitted to pay for or attend and activity unless this is signed and returned.
