## **SENIORS,**

Welcome to your BIG year!

It is the year 2017, and you can almost see the shores of Ithaca as your journey is nearing its end. It has been long, and sometimes turbulent, but the shore awaits you and a new chapter in your lives will soon begin.

I advise you to make every day count during this last year of high school. You will miss William Cullen Bryant as William Cullen Bryant will miss you. Work hard to achieve and be successful. Take time to plan for your future, create everlasting relationships and leave a legacy behind. Do not forget to have fun and enjoy every single moment!

We, here at Bryant, will support you and help prepare you for the outside world and it's expectations. We are a team and you will make us very proud when you walk out the front steps of our school with the diploma in your hands.

This will be a very busy year for all. Trips, college events, celebratory dinners, assemblies, academic responsibilities and deadlines, will take up a lot of your time. Remember to organize your time well, and be cognizant of all that needs to get done.

In order to assist you with planning we have put together the following information.

As your senior advisor, I would like to wish you a wonderful Senior Year at William Cullen Bryant High School.
