## **Spectator Policy and Game Day Guidelines**

**William Cullen Bryant High School is committed to maintaining the highest possible standards of behavior and conduct at all athletic events. All those involved, including team members, coaches, officials and spectators have a responsibility to treat everyone with dignity, respect, sensitivity and fairness.**

Visiting team spectators must enter the school building via the main entrance along 31<sup>st</sup> avenue or enter the field using the gate on the northwest side of the field for outdoor events. All individuals will be asked to sign-in and produce proper identification upon entering the building or the field. Parents of student-athletes, administrators, faculty members and team managers will be admitted to athletic events. Young children accompanied by their parents will also be permitted to attend. Non-Bryant students will be denied entrance to all athletic events. All coaches must accompany their team and managers into the building. Team members will not be admitted without their head coach.

Furthermore, coaches are responsible to escort each member of their team out the building or off the field at the conclusion of each contest. Coaches are also required to supervise their players at all times and in all areas, including the locker rooms, classrooms and on the field. No visiting cheerleaders or boosters will be admitted to any games. The earliest a team will be admitted in the building or on the field is forty-five minutes prior to the scheduled starting time of the contest. Spectators will be allowed entrance fifteen minutes prior to the start of the contest. Food and beverages are prohibited in the gymnasium(s) and field. All coaches are responsible for bringing their own equipment, including first aid supplies and a properly inspected AED.

**Individuals who pose a threat to others, use inappropriate language and/or demonstrate misconduct will be ejected and will be removed and prohibited from attending future athletic events. Also, any Bryant student who cuts class the day of an athletic event or is serving a school suspension will be prohibited from attending.**

We hope you enjoy your experience and thank you in advance for your cooperation.  
Sincerely,

Valerie Winberry  
Athletic Director
