Bryant High School Song

Long Island City has a school, we're proud to call our own
and Bryant High School is its name,
it's very widely known.

Its students are the best of all; its teams you can't out-do.
So send up all a rousing cheer for our own dear Gold and Blue.
Cheer for the Gold and Blue; oh give a rousing three times three,
Bryant for victory, defeat n'er come to you. Rah! Rah! Rah!

Bryant, thy Gold and Blue, thy sons and daughters
e'er shall love,
and the praise we shall hear, both far and near,
of our Gold and Blue.
