Dr. Bart Linehan, Principal

June 5, 2020

Dear Parents/Guardians,

Congratulations to our new inductees into the National Honor Society and those recognized at the Academic Awards Ceremony this week.

As a final date, on Thursday, June 11 between 9 am and 11am, THS will distribute locker belongings; will return any medications and/or medical equipment. Seniors are asked to return Chromebooks and textbooks if they do not need for classes or their internships. After this final opportunity, we will have to discard remaining items so we can prepare for next year. If you cannot come on Thursday and need the items, please email Mr. DeBellis by June 12 at [debells@tuckahoeschools.org](mailto:debells@tuckahoeschools.org).

Please take a few moments to review the procedures for the distribution of the aforementioned items. Please be sure to wear a face covering when picking-up the items and display the student's Last Name on a sign in the front windshield.

- To ensure the health and safety of all families and staff, all health recommendations and guidelines will be followed, including social distancing. We ask for families to wear face masks when picking-up items. Our staff will also be wearing face masks and gloves.
- We ask that you please be patient so that we can distribute locker belongings in a safe and orderly manner. Please place a sign in the front window displaying the student's last name. This will assist the staff with retrieving the locker items in an efficient manner.
- Cars will assemble on Siwanoy Blvd., facing West (toward Cottle), and remain on the right side of the road closest to the MS/HS. Please be respectful of any neighbor's driveway and obey engine idling laws.
- Cars will be directed by staff to enter the school parking lot, up to 3 cars at a time.
- A staff member will then retrieve your student/s belongings and either place them on a table next to the car or place them in the car's trunk, whichever the family prefers. Cars will then exit the parking lot onto Middle Road.
- There will be a table set-up in the parking lot for the return of medications/medical equipment. The district nurse will be at the table to return these items and to collect a signature from the parent/guardian. Please have identification if you need to pick up medications.
- Any items not retrieved by families will be discarded, unless other arrangements have been made.

With the last day of school June 15, the fourth marking period will end Tuesday, June 9. The last day of live and Asynchronous Distance learning will be Friday, June 12, focusing on review work after the 9th. For Monday, June 15, teachers will post final summer recommendations as students prepare for the 2020 - 2021 school year.

AP and Honors classes may require assignments in mid-September allowing students the summer to prepare for a more rigorous curriculum in those courses. If needed, the 20-21 teacher will contact students directly. Teachers will also be completing grades and year-end functions in the last days of school.

Seniors and parents are reminded to post their Tuckahoe memories on the advisor's Instagram page. Likewise, while we are still hopeful for a prom/alumni event when permissible and safe, seniors are invited to share formal, prom-like photos to create an album while we social distance. Please share with Ms. Iverson.

We are in the process of completing graduation packets and expect to mail out Monday. It will contain an invitation, family tickets, graduate appointment times, and a guide on the procedures and logistics of the ceremony.

Thank you to the THS/TMS GSA Club for the historical video they compiled which is posted on the THS website [Global Pride 2020: Home](#). June is Gay Pride Month and I thank our students and GSA advisers for a very positive initial year.

For all Tuckahoe parents and residents on the frontline of this pandemic, we thank you for your service! Some of our Tuckahoe teachers' spouses and family members are also serving. Thank you!

Regards,

Dr. Bart Linehan
