Dear Parents/Guardians:

Thank you to everyone who participated and “tuned in” to our annual Memorial Day Commemoration today. What a wonderful salute to those who made the ultimate sacrifice, our veterans and first line workers. Our students were amazing! A special thanks to Mr. duChateau, Ms. Reidy, Mr. Garufi, Ms. Kim and the G.O. and class advisors.

Congratulations to all the Seniors and thank you for picking up your “surprise” bag today. It was wonderful to see our seniors today. In addition to the surprise item, please know that the seniors also received their caps and gowns for graduation. Thank you to the teachers for attending and cheering on the students

Seniors and parents are posting their Tuckahoe memories on the advisor's Instagram page. Likewise, while we are still hopeful for a prom/alumni event when permissible and safe, seniors are invited to share formal, prom-like photos to create an album while we social distance. Finally, Guidance is in the process of planning the senior scholarship meeting virtually.

Thank you to our Junior class and advisers, Ms. Iverson and Ms. Laise for their Frontline/Essential Worker Project and their Adopt a Senior Project.

AP Exams were completed today. Special thanks to Mr. DeBellis, Ms. Perillo, Mr. Costa and the AP teachers.

The Senior Virtual Internship Program for 2020 will begin this Tuesday. Please contact Mr. Colasuonno with any questions.

For all Tuckahoe parents and residents on the frontline of this pandemic, we thank you for your service! Some of our Tuckahoe teachers’ spouses and family members are also serving. Thank you!

Special gratitude for those we honor this Memorial Day as well as our Veterans and our American Service Personnel stationed everywhere around the world.

Regards,

Dr. Bart Linehan
