Dear Grade 11 Parents/Guardians:

Please note the cohort breakout for grade 11 is:

- Cohort A: A - L
- Cohort B: M - Z

Cohort A will attend in-school every Tuesday and Thursday. They will learn remotely every Wednesday and Friday. Cohort B will be in school every Wednesday and Friday. They will learn remotely every Tuesday and Thursday.

Families that have sibling cohort conflicts will be contacted directly.

As discussed in the summer webinars, grades 6 - 12 will primarily be on a Block Schedule approximately 85-minute periods, Tuesday through Friday except for periods 5 and 6 (MS and HS lunch), which will be approximately 45 minutes.

Whether in school or remote, students follow the same schedule each day.

On Monday's we will follow the traditional protocol of one through eight periods, each period will be approximately forty-five minutes. We will alternate between cohorts as in school or remote on synchronous Mondays.

We are also finalizing select Mondays throughout the year where both cohorts' grades 6 - 12 will be remote for the day, learning asynchronous. This is to allow teachers professional development time given the multiple instructional initiatives they have assumed since last spring. A calendar detailing the annual Monday schedule for the district will be forthcoming shortly.

Thank you, everyone for your cooperation and understanding during these challenging times.

Sincerely,

Dr. Bart Linehan
