September 10, 2020

Good Afternoon,

Following up on yesterday's district correspondence, please find the schedules for next week, which is Week 2.

Monday, September 14, Cohort A is in school; Cohort B is virtual. This will be an eight-period day, approximately forty-five-minute periods.

On Tuesday, we return to the same Block Schedule as this week, Cohort A is in on Tuesday, Cohort B is remote. Wednesday, Cohort B is in school and Cohort A is remote. Please see the attached schedule for the complete week.

While Cohort A is in school three times next week and Cohort B is virtual three times; this will even out the week of October 5, when Cohort B is in school for three days that week. Please let me know if you have any questions.

For all next week, students attend Day 2 Classes for specials, electives, and physical education.

Also, a reminder, that due to the pandemic, there are no lunch drop offs from parents or outside vendors. Lunches are available in the cafeteria.

Thank you again for your support.

Best Regards,

Dr. Bart Linehan
