## Homecoming 2017

From William E. Cottle Elementary School Gym and Tuckahoe Athletics Field, to our classrooms and our homes, we work together so our students consistently perform at their absolute best. The encouragement and guidance of our teachers, coaches, counselors and administrators are why Tuckahoe High School was named one of America's Best High Schools by U.S. News & World Report. Our students are college and career ready.

Tuckahoe High School has a long and rich tradition of excellence in education and athletics. Tuckahoe High School opened its doors in 1931.

In 1934, two years after the grand opening, sixty-thousand square feet of land (located east of the school) were added to the property of the high school to provide Tuckahoe High School with its own athletic field.

This athletic field will be one of the sites for the annual Tuckahoe High School Homecoming events.

Please see the schedule of events. This is a time to celebrate with Tiger Pride and support our student athletes.
