Dear Parents/Guardians:

Congratulations to the Science Olympiad Team. Kevin Bradford and Chris Piacquadio won a 4th place medal in Water Quality and Sophia Viti and Luke Arborn won a 7th place medal for Ping-Pong Parachute this past weekend.

Thank you to all our seniors who participated in "Read Aloud Day" at Cottle this week. This was a special event for Cottle Cubs and the students enjoyed the books read to them.

Spring Signing Day was held on Wednesday. Congratulations to our Seniors who will be taking their athletics to the collegiate level: Jonathan Berger – MIT; Justin Lee – SUNY Maritime College; Matthew Mondrone – McDaniel College; and Evan Rivera – Misericordia University.

Midterm Exam Report cards were mailed home this past week.

Thank you to the National Honor Society for hosting a coat drive this week and next week.

Our seniors are getting ready for their end of year internships working with Mr. Colasuonno. The program has been a wonderful success.

Regards,

Dr. Bart Linehan
