

5th Grade Project

Due August 5, 2019

Dear Parents/Guardians, and Students,

Robert Treat Academy believes summer reading is a valuable experience for all students and an important extension of our educational program. In order for your child to be ready for third grade, it is essential that he/she reads over the summer to actively nurture the love of reading and develop literacy skills.

Choose a novel from the Scholastic book list attached to read over your break. Please choose a book from the list titled "Ages 9-11." Create a movie poster which includes the book title, the author, pictures (either drawings or printed pictures of things related to the book), starring roles (main characters), and statements that will attract attention and persuade readers to want to see the movie version of your book. Be creative! Please do not make your poster larger than 17x22.

On a separate sheet of paper write a two paragraph book review. The first paragraph should be a summary of the book including the main characters, setting, and plot. The second paragraph should be a recommendation of the book explaining why you would or would not recommend others to read it.

Be prepared to present your poster on the first day back from break!

Happy Reading,
Fifth Grade Team
