Fr: Domonic Romero, Gallup High School Principal  
To: Gallup High School Parents  
Date: October 3, 2016

Due to the excessive amount of students who are tardy in the morning and throughout the day. Gallup High School will be administering discipline tardy sweeps in the morning starting at 8:35am and throughout the school day. Students will be on a three strike discipline tardy policy, first strike parent conference or lunch detention for ten minutes, students choice, strike two parent conference, strike 3 multiple day suspension. This is a yearlong policy and does not have to be consecutive days. Our children's education is our number one priority and we want to create an educational environment with the least amount of distractions. Thank You
