

IMPROVING EDUCATIONAL OUTCOMES

Weekly Parent Email 6/5

Ms. Gordon from P S I S 104 THE FORT HAMILTON SCHOOL has sent you a message:

Good Morning Parents and Guardians,

As we move into the month of June and the final stretch of our school year, I am excited to share some upcoming events!

Today at 9:00 AM, we celebrated our Junior High Students that achieved the honor of either continuing in or being inducted into our **P.S./I.S.104 Junior Honor Society**. These students have maintained high academic and behavior standards as well as providing service to the school. I know the 104 family joins me in saying we are so proud of the ARISTA students! You can view our ARISTA celebration on our website: psis104.com I want to thank **Ms. Donnelly, Mr. Wiley, Ms. Ward and Mr. Khan** for putting together a beautiful program to recognize this milestone for our students.

Yesterday, I sent an email to share our **Virtual Field Day** that will be taking place on **Friday, June 12**. This will be a fun day for our students to share in virtual activities as a school community. Please review the information sent. Thank you to Mr. Khan and Mr. Lannon for putting this together. Please reach out with any questions about the event to Omarkhan@psis104brooklyn.com or josephlannon@psis104brooklyn.com

As the year begins to come to a close, we are happy to inform the 8th grade families that we are creating a **Virtual Graduation Event**. We are currently working with an approved DOE vendor and aiming for the actual Graduation date of June 23, 2020. We will be able to provide more specific information and details as we complete our work

with the vendor.

We are thrilled to share with the Kindergarten families that we are creating a **Virtual Stepping Up Ceremony**. The Kindergarten teachers have been reaching out to gather the items needed for the video. We are aiming to post the video on the Stepping Up Ceremony date, June 24th. When the video is completed, more information will be shared.

In celebration of our Grade 8 students that will be graduating shortly from P.S./I.S. 104 and our Kindergarten students that will Stepping Up to first grade, there are banners hanging at our Main building and the Annex to spread our warm wishes to the students. Attached are photos of the banners and we hope they are a source of pride for our students as they are seen in the neighborhood.

Relay for Life

We continue our efforts to support Relay for Life. This organization works to help those with cancer. We greatly appreciate it any donation you can give. A link to donate has been added to our school website www.psis104.com Any amount great or small is appreciated.

Tuesday, June 9 was originally scheduled as a non-attendance day for students in schools serving grades K-8. As per the Chancellor, June 9, students who attend a school serving grades K-8, are expected to complete work independently as staff will be engaged in reorganization work. As we are nearing the end of the marking period and school year, it is critical that students keep up with their assignments. This time can also be used to prepare for the Virtual Field Day on Friday!

Lastly, as we near the end of Remote Learning for this school year, we want to end with memorable events that will be uplifting and enjoyable for the students and staff. Upcoming information will be shared about these fun events.

On behalf on the P.S./I.S. 104 family, I wish you all a restful weekend spent enjoying time with family. Be well and stay safe!

Suzanne Gordon
Principal, IA
