2) REMINDER: You MUST choose by August 7th from the two options from the DOE website:

1. 100% Remote Learning: Opt in to have your child learn 100% remotely (all online, from home). To choose this option for your child, fill out and submit this form. If you are having difficulties completing this form online, call 311.

2. Combination of In-Person and Remote Learning: Your child can follow their school's schedule, a mix of in-person days at school and remote learning days from home. To choose this option, no action is needed: your school will be in touch about its schedule and programming plans in the coming weeks. Please visit the [Return to School 2020](#) pages on the website for more information.

Please go to the website below to opt into one of these two options: <https://www.nycenet.edu/surveys/learningpreference>

Changing Preferences:

** If you chose 100% Remote Learning but want to change your child's preference back to Blended Learning, complete this form again by August 7.

** After August 7, any family who chose 100% Remote Learning will have the option to change back to Blended Learning at a few specific times during the school year as determined by the DOE.
