

Good Morning Parents/Guardians,

Thank you once again for another week of supporting your children in Remote Learning. We appreciate you, and on the same note, this week is Teacher Appreciation Week. As the week comes to an end, please take a moment to reach out to your child's teacher to show them your appreciation.

A few important messages:

In addition to Teacher Appreciation Week, it is National Nurse's Week and we can't forget all the sacrifices our nurses make each and every day especially during this unprecedented time. To all the nurses in our 104 Families, "THANK YOU! We Appreciate You!"

May is Mental Health Awareness Month and it seems a good time to consider the difficulties some of our families and children may be experiencing. I am attaching some ideas to support families with Mental Health Activities shared by our School Mental Health Consultant. In the letter are nice activities that can be done by the children or even as a family. I encourage you to take a look and our website also has a tab for some social emotional support ideas. Please visit our website at psis104.com for this information. In addition, if your child is struggling, please reach out to Mrs. Morrison, School Guidance Counselor at vmorrison20@schools.nyc.gov.

Parent Teacher Conferences begin Monday, May 11, 2020 and will continue through May 21, 2020. Please go to your child's Google Classroom pages. On the pages, you will find a Google Form that MUST be completed by ALL PARENTS. In that form, you can indicate that you would like a conference, if you require translation and the best contact information. Teachers will reach out to schedule a time to discuss your child's Remote Learning Progress.

On behalf of the P.S./I.S. 104 Family, we would like to extend a Happy Mother's Day to all our mothers, grandmothers and women who support us each and every day. Enjoy the weekend with your families and loved ones.

Stay safe, healthy and well.

*Sincerely,
Suzanne Gordon
Principal, IA*
