

IMPROVING EDUCATIONAL OUTCOMES

## Parent Email 5/15

Ms. Gordon from P S I S 104 THE FORT HAMILTON SCHOOL has sent you a message:

Good Afternoon Parents and Guardians,

We have come to the end of another week of Remote Learning. As the weather gets warmer, I know the Stay At Home regulations make it more difficult for families. I would encourage families to visit our school website [www.psis104.com](http://www.psis104.com) where we continue to post videos of students and teachers to keep us connected in some small way. The most current video is on the home page and others are archived in the "Video Gallery" tab. There is also a Mental Health link with resources for coping at this time and a link to the Wellness Wednesday family-facing webpage with mental health and wellness activities.

### **Spirit Days**

Next Friday, May 22, 2020 will be RED, WHITE AND BLUE DAY! In honor of Memorial Day, we are encouraging staff and students to dress in their best red, white and blue attire. This is the first in a series of Spirit Days to keep us motivated and connected as a school community! Mark your calendars for PAJAMA DAY on May 28. Reminders will be sent to the school community on the Google Classroom streams. We encourage students and families that participate in the Spirit Days to send their pictures to Mrs. Fitzgibbons at [lfitzgibbons@schools.nyc.gov](mailto:lfitzgibbons@schools.nyc.gov) so they can be included in the videos!

**Parent Teacher Conferences began** Monday, May 11, 2020 and will continue through May 21, 2020. Please go to your child's Google Classroom pages. On the pages, you will find a Google Form that MUST be completed by ALL PARENTS. In that form, you can indicate that you would like a conference, if you require translation and the best contact information. Teachers will reach out to schedule a time to discuss your child's Remote Learning Progress.

Although we remain apart, we are all in this together. Thank you for all you do to continue to encourage and support your children through these difficult times. I hope that every family will be able to share time involved in activities they enjoy this weekend.

Sincerely,  
Suzanne Gordon  
Principal, IA
