## Weekly Parent Email 5/29

Ms. Gordon from P S I S 104 THE FORT HAMILTON SCHOOL has sent you a message:

Good Afternoon Parents and Guardians,

This week sure flew by and I hope families were able to enjoy the warm weather and time with family.

**Thursday, June 4** is a citywide Teacher Professional Development Day. **Students are not in session that day. No assignments will be posted as the students are off.**

**Our Website:** [www.psis104.com](http://www.psis104.com)

I hope you had a chance to visit our school website to check out the great videos posted and also to see the new section: **Family Fun Friday**. Last week Ms. Maginnis, Parent Coordinator posted a great 3 ingredient recipe and this week will be another fun activity that families can choose to participate in over the weekend. We welcome any ideas, feedback and pictures!

We are excited to announce our **Virtual Field Day** that will take place on **June 12**. On that day, students can choose from a variety of activities to engage in that can be conducted from home with few supplies needed. A letter and list of supplies will be sent to families in the parent email next week. It will be a fun day for all and Mr. Lannon and Mr. Khan, our gym teachers, have been working hard to prepare for it!

### **Relay for Life**

Earlier today you should have received an email from Ms. Maginnis, Parent Coordinator about Relay for Life. If you can participate either by submitting a video or donating. We

greatly appreciate it. A link to donate will be added to our school website [www.psis104.com](http://www.psis104.com) Any amount is appreciated and the video only costs a few minutes of time.

### **Mental Health**

As a reminder, there are many resources on our website to support the social and emotional well-being of our families and students with fun activities. Please do not hesitate to reach out to our guidance counselor, Mrs. Morrison at [vmorrison@schools.nyc.gov](mailto:vmorrison@schools.nyc.gov) should you need support.

It amazes me that we are about to begin June. It seems only yesterday Remote Learning began. I say it often, but can't say it enough, I am grateful for the hardworking staff for all their efforts during this time and to our fantastic families for supporting us and your children every day. Do not hesitate to reach out to me with any questions or concerns. I hope you take time this weekend to rest, relax and enjoy time doing something uplifting.

Sincerely,  
Suzanne Gordon  
Principal, IA
